

A Song Borrowed (Evelyn's Tune)

Chorus:

We tend to its care as the tune we share
Lent to us this day
It gives of its time. It's yours it's mine
As we send it on its way.

Verses:

I would sing with you a song
Of your time it won't take long
It's lent to us this day
We'll sing it for this time
Not yours and neither mine
We send it on its way.
